RE: Beautiful New Murals for Baroda

Hilary Burchett is the amazing artist that continues to contribute her beautiful work to our public art initiative in the Baroda Area! Hilary has been teaching for 12 years as a visual arts teacher for grades PK-12th in the public school's system. She has a Bachelor of Fine Arts Degree with watercolor emphasis from Western Michigan University in 2005. She has had art showings in Biarritz, France; Graz, Austria, and multiple showings in Kalamazoo, MI. Hilary is currently teaching PK-5th grades visual art at Hollywood Elementary School within the Lakeshore School District. When she is not sharing her knowledge with her students, she spends her time painting in her studio, and raising animals on a small rural farm.

For her third piece of work in Baroda, she wanted the community to be involved in her project, so she had individuals paint their own flag which are now a part of "We the People". You can find this beautifully creative piece located on the side of the Brunke-Geiger building downtown Baroda. If you would like to come check out all of the new art by Hilary, they are located along the side of Baroda Mills, Nye's Autotech and Tire and now Brunke-Geiger.
